

1 get it

Subscribe to **WORDREADY® Young learner English** directly from **L2** or one of our distributors (see our Buy page for details <http://www.L2.co.uk/web/en/wordready/buy>).

2 set it up

Log in to the **Management Tools** using your **email address** and **password** (<http://www.L2.co.uk/wordready/manage/>).

For each learner account, click '**activate**' and enter:

- **name(s)** – the learner's name,
- **language** - the learner's first language (e.g. Greek),
- **level** - **start off**, **move on** or **fly away**.

This will create an '**activation code**' for each account. Click on the '**activation code**' and with the learner choose a **username** (e.g. **hungrybluehippo9**), and a **password**.

3 use it

With a **username** and **password**, learners log in to **WORDREADY®** (<http://www.L2.co.uk/wordready/>) and start learning vocabulary. Instructions will be in their first language.

Teachers or parents can monitor progress by logging in to the **Management Tools** (<http://www.L2.co.uk/wordready/manage/>).
